Zentherstick has won the award for "Best song of 2005" in the category "Rock/Electric" on the Spellbound radio program with the new song "Saturday Matinee." Spellbound is a weekly one hour radio program on the Purple Note Radio Network which features the Theremin. "We were extremely happy to have our piece played on a radio show. Getting any airtime or gigs at all for this type of music is a hard thing to do. Having won this award given all the other great material on the program is even more amazing and something to be very proud of." -Tony Korologos "Thanks for the recognition, David! On behalf of the rest of us, we're honored by the receipt of your award. We're proud to be affiliated with Spellbound. Keep up the good work! It's a great show! - Matthew Loel T. Hepworth - Thereminist
